

ANNUAL REPORT – 2022 – 2023

MTE'S DHONDUMAMA SATHE HOMOEOPATHIC MEDICAL COLLEGE, PUNE

INTRODUCTION

D. S. Homoeopathic Medical College was established in 1971 in Pune. The Institute was affiliated to Pune University and after establishment of Health University in 1998 thereafter it is affiliated to Maharashtra University of Health Sciences, Nashik.

The Institute conducts the courses in Homoeopathy.

1. Bachelor of Homoeopathic Medicine and Surgery (B.H.M.S.)
2. Post-Graduate course (4 Subjects - HMM OP, POM & Repertory)
Doctor of Medicine in Homoeopathy (MD - Hom)
3. Doctor of Philosophy (Ph.D) in Practice of Medicine and Organon

The Institute is functioning in its own campus measuring about 2 acres of land at F. P No 21 Pune 4. The Institute is fulfilling the 100% requirements as per MSR regulations 2013 of NCH New Delhi with respect to the infrastructure and recruitment of staff for college and hospital. Thus there is overall improvement in all the departments which has resulted in imparting better clinical teaching and patient care.

DSHMC is premier institution training students in Homoeopathic System of Medicine and has shaped many outstanding personalities. The college has qualified and experienced teaching faculty to inspire, guide and teach the students and help them develop their full potential.

As in the year of 2022 the institute has completed 50 years of quality homoeopathic education and patient care. So to celebrate its magnificent journey, the year 2022 was celebrated as a Golden Jubilee Year of the Institute.

A] Student Progression

1. Admission:

The College admissions are 100% fulfilled for the BHMS and MD course with Higher/good merit of students were admitted in the college passing percentage of the students of all years who appeared in the MUHS examinations are satisfactory and showing higher percentage of passing than the previous years.

<u>Students Enrolments and Profile – UG, PG & Ph.D</u>					
Year	Sanctioned Seats	Admitted Students	Open	Category (SC, ST, VJNT, OBC, etc)	M.Q

6	19 th Dec 2022	Dr. Gurleen Kaur Bakshi (MD I)	Avishkar 2022 ; State level Research Competition BY MUHS (Category Faculty dept of POM)	Poster Presentation Competition	1 st Prize
7	19 th Dec 2022	Dr. Ankita Agarwal	Avishkar 2022 ; State level Research Competition BY MUHS (Category : Humanities Fine Arts & Language)	Poster Presentation Competition	1 st Prize
8	19 th Dec 2022	Dr. Priyanka Shukla	Avishkar 2022 ; State level Research Competition BY MUHS (Category : Commerce, Management & Law)	Poster Presentation Competition	2 nd Prize

5. Extracurricular Events

Motivating the students for participating in the extracurricular events for over all development of the students is one of the important activities at DSHMC. Every year we organize a great cultural and sports event to find great talent from our students. Students get the opportunities to show their creativity, learn life lessons like, team work, leadership, value based activities etc. The celebrations were done in a healthy and positive atmosphere.

Our students are known for participating and winning prizes at state level case presentation, quiz and debate competition has enhanced the glory of DSHMC not only as an excellent academic institution but even as an institute where students are groomed for overall development.

Extracurricular Activities Conducted in 2022

6. **Nyaymurti Madhavrao Ranade Memorial Homoeopathic Hospital:**

Nyaymurti Madhavrao Ranade Memorial Homoeopathic Hospital is a 50 bedded teaching hospital of Dhondumama Sathe Homoeopathic Medical College which provides efficient patient care and expert clinical training to our students.

The Hospital consists of Outpatient department, Inpatient department and homoeopathic dispensing unit. It provides advanced homoeopathic treatment from experienced homoeopathic physicians at very nominal charges, and free of cost to the senior citizen. The hospital is accredited with the NABH from Sep 27, 2021.

Conclusion

Being a pioneer homoeopathic Medical college, Hospital and Research centre imparting excellent clinical and homoeopathic knowledge to our students is what we strive for as a continuous process, thus fulfilling our Mission and Vision.

I sincerely acknowledge the guidance and support from our management and express my gratitude to teaching, non teaching staff of college, UG and PG students, medical and paramedical staff of NMRMH Hospital in our endeavor to make this institution a seat of excellence in homoeopathic education and patient care. Together we will continue to make a positive impact in the field of Homoeopathic education, patient care and research.

I am pleased to report that the past year has been a fruitful one for our college as well as our homoeopathic science. Our dedicated faculty and staff have continued to work tirelessly to provide quality education to our students, despite the challenges faced by the COVID - 19 pandemic. I am also happy to mention that our students have risen to the occasion adapting to the new normal and continuing to excel in their studies.

During this period we have expanded our outreach program providing premedical camps and consultations to the unprivileged communities in surrounding areas.

I am also pleased to announce that institute has been started Ph.D course in two subjects from this year which has added one more feather to a crown of institute.

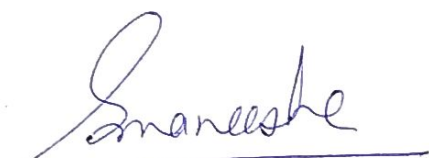

In the area of research, we are still striving hard to contribute significance, I am happy to mention that a high quality research publication has been done showcasing the efficacy of homoeopathic medicine, arsenic album in COVID-19 pandemic by CCRH and one of the reputed homeopathic medical institute we

have also contributed in this project.

Along with growth and development of the institution the renovation of infrastructure and adapting to the new technology on completing 50 glorious years has done the face-lifting of our institute.

Looking ahead we are excited to continue our growth and development as a Homoeopathic Educational Institute building on our successes and striving for even greater achievements in the year to care.
